Mark is a Payroll Officer at Bolton Council and has been in the Play As You Earn Scheme since 2010. He won our top prize of £1,000!

"I signed up to the hospice lottery to help a local charity that helps local people. It was quick & simple to sign up to the play as you earn scheme and now my lottery subscription is deducted straight from my salary so it couldn't be easier! I was very pleased (and surprised!) to win the £1,000 top prize and gave a donation back to share my good fortune and invested the rest in my passion for travel!"

All funds raised help Bolton Hospice provide care and support for local people facing life-limiting illnesses, and their families.

How does it work?

Each entry costs £1 per week (£4.34 a month) and you can have more than one entry if you want. On receipt of your application, we will allocate you a unique lottery number.

This number will be entered into the draw every Friday, giving you the chance to win one of our cash prizes!

You'll also have the satisfaction of knowing that even if you don't win, your £1 has helped Bolton Hospice continue to provide care and support for the local people who need us.

How do I join?

Simply complete the Authority to deduct from salary form overleaf and return it directly to Bolton Hospice using the FREEPOST address provided overleaf.

You can also pay by direct debit or debit / credit card – contact us for details.

Thank you for supporting Bolton Hospice and helping us to care for our patients and their families. Good luck!
