Tree of Life

A beautiful, lasting tribute
to your loved ones.

Sharing Memories of Your Loved Ones

The Bolton Hospice Tree of Life is a beautiful, handcrafted metal sculpture set in the main reception of the hospice. You can add your personalised, engraved leaf to create a meaningful and lasting tribute to your loved one.

The tree represents the beauty of life, enduring strength and eternal peace.

Leaves can be dedicated in memory of a loved one, as a tribute to someone close to you or may simply be a way to help us be there for our patients when they need us most.

Once your leaf has been added, we will invite you to visit the hospice to see your loved one's leaf on the tree. The Tree of Life will be fully accessible for you, your friends and family to visit any time to see your leaf.

Your leaf will remain on the Tree of Life at Bolton Hospice for 3 years, after which you may decide to renew your leaf to allow it to remain on the tree for a further 3 years, or you can ask for the leaf to be returned in a presentation box for you to keep.

There is also an opportunity to purchase replica leaves at £30 each, which are exact copies of your engraved leaf added to the Tree of Life. You can purchase as many additional replica leaves as you wish for yourself or for friends and family.

Each leaf helps deliver care and support

Your gift will enable us to provide free specialist care and support to local people and their families when they need it most.

£100 could improve the quality of life of someone facing a life-limiting illness through attendance at day therapy one day a week.

£200 could ensure someone who wants to remain at home gets the care and support they need from our Hospice at Home nurses.

£350 could provide compassionate, dedicated and dignified care in our inpatient unit for someone in the final days of their life.

To place a leaf on the Bolton Hospice Tree of Life, please fill out the form overleaf.
