

Bolton Hospice
caring from the heart

Palliative Care Patient Referral Process

Who can I refer to Bolton Hospice?

Any patient with a life-limiting illness such as cancer, COPD, heart disease, neurological diseases

From the moment a patient is diagnosed, we have a service to suit their individual needs. We provide:

- 24 hour advice for carers and healthcare professionals 
- Day therapy, outpatient clinics and Hospice at Home 
- Assessment, rehabilitation and symptom control on our inpatient unit.
