Will you be our next winner?

Nathan, 20, has been a lottery member since 2018 and won the top prize last year!

"I first started playing the Bolton Hospice lottery because I wanted to regularly support the hospice in their amazing work. I won the top prize of £1,000 in July and I can't forget the feeling of picking up the phone and hearing the news. When I started playing the lottery I never thought I'd win anything, never mind the top prize!

The money has been really useful for supporting me whilst I'm at University and ensured that I was able to get some new clothes for Manchester Pride! I was also able to save some of the money for a rainy day, which is extremely useful!

I strongly recommend that you sign up to the hospice lottery, you never know you might win!"

The funds you'll raise through your lottery membership will directly help your local community by enabling us to provide care and support to people with life-limiting illnesses.

Please support our hospice lottery and play for a reason.

Last year our lottery members helped us to:

Care for **335** inpatients

Provide day therapy for **94** new patients

Make **1306** visits to care for patients in their own homes

Run outpatient clinics for **188** patients

Provide **24 hour** expert advice to carers and healthcare professionals
