How does it work?

We are looking for businesses to take on our £50 challenge. You will receive a £50 stake in the competition to get you started and will be tasked with fundraising in any way you like over 3 months – as long as it's safe and legal! The winners will be revealed at our awards ceremony where there will be trophies for most creative fundraising idea, most sporty team, most crafty team, and most profit generated.

The benefits to your business...

1. Increased awareness of your business by linking with a local charity.
2. Engagement of staff, boosting team spirit and moral.
3. Fun and engaging PR and social media opportunities.
4. Networking potential with other £50 challenge business participants.
5. Fulfill your Corporate Social Responsibility objectives.
6. Increased engagement with clients, customers or suppliers.

you will have
so much fun”

How YOU help to make a DIFFERENCE

- **£200** could ensure someone who wants to remain at home gets the care and support they need from our Hospice at Home nurses.
- **£400** would cover the cost of an overnight stay for a patient at Bolton Hospice.
- **£600** could pay for the upkeep of our beautiful Garden of Tranquillity for a year.
- **£1,000** could pay for vital oxygen for all our patients for one month.
- **£2,000** could pay for 100 hours of compassionate nursing care in our inpatient unit.

What we do

Your support will help our nurses to continue to care for patients as soon as an incurable illness is diagnosed, supporting patients and families at every difficult step of their journey.

Whether it's using their expert knowledge of pain management and symptom control, their experience in supporting family members in distress or simply providing a hand to hold in the middle of the night – our nurses are there to provide care, hope and support. Our corporate partners are a vital lifeline in helping us to keep offering the exceptional care so many local families depend on.

Our nurses care for over 700 patients and their families in Bolton every year
