"I was so excited as I'd never won anything before!"

– Play as you earn player, Stateside Foods

"When I got asked about joining the hospice lottery through work it was an easy "Yes", as it's always been important to me to support local causes. I signed up straight away, and a little while later I received a phone call to tell me I was a winner. I was shocked and over the moon as I'd never won anything before – good things really do come to those who support charities!

Now with the £10,000 rollover prize, it's even more reason to play as you earn. That amount of money would be life-changing. I'd probably cry with joy."
