

Making a referral to Bolton Hospice

Who can I refer to Bolton Hospice?

Patients with **ANY life-limiting illness** such as cancer, COPD, heart disease, and neurological diseases

When should I refer a patient?

Our services are available from the point of diagnosis.

We provide:

- 24 hour advice for carers and healthcare professionals
- Specialist advice sessions and support at our Wellbeing Hub, Outpatient clinics and Hospice at Home
- Assessment, rehabilitation and symptom management on our inpatient unit.

How can I refer a patient

- Submit an e-referral on your GP or alternative system
- Call us direct on 01204 663 066
- Download a referral form on our website boltonhospice.org.uk/refer

Did you know?

Patients and their carers can **self-refer** to our Wellbeing Hub for specialist advice sessions and support
